Putting Contest & More!

All Proceeds to Benefit the Elberton Granite Museum Foundation

The Elberton Granite Museum & Exhibit was originally designed in 1979 and opened to the public in March 1981. The goal of the Elberton Granite Association is to provide a resource to the public that relates the history of Elberton's granite industry, to preserve its traditions, and to explain the quarrying and manufacturing processes. Over the years, our museum collection has grown, and the facilities are in need of improvements. Your participation in our golf tournament will help us achieve that goal.
